

Monitor Mounts

The logo for a dec, featuring a stylized blue caduceus symbol above the text "a dec" in a bold, blue, sans-serif font. The "a" is lowercase and the "dec" is lowercase.

A-dec Monitor Mounts

Gain a new perspective.

With A-dec monitor mounting solutions, it's easier than you think. Imagine the freedom to choose and position your monitors to cover all of your needs—from patient consultation and education, to entertainment and practice management. Now, a world of information can come to you where and when you need it.

Mounting options for locating your monitors.

- **Chairside**
- **Overhead**
- **Central cabinet**
- **Treatment console**

All A-dec monitor mounting solutions feature:

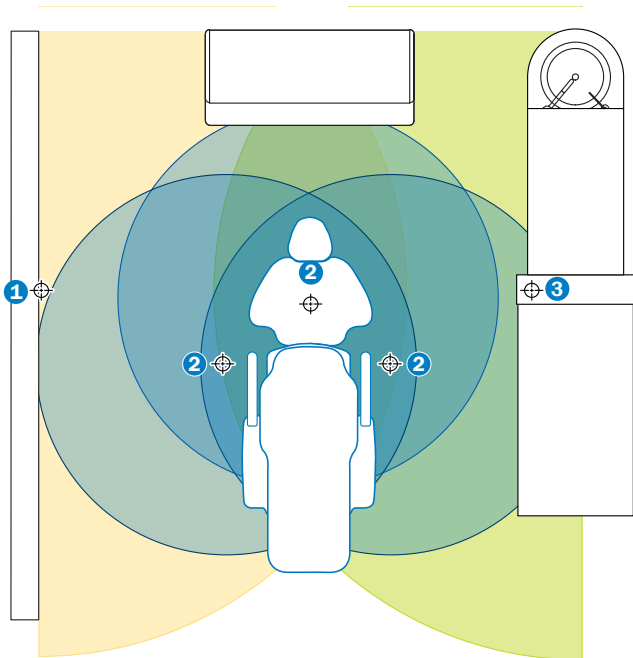

- **VESA compatibility.** Accommodates 15" (381 mm), 17" (432 mm), and 19" (483 mm) medical-grade monitors up to 20 pounds (9 kg).
- **Robust construction.** Designed, engineered, and built for exceptional durability, backed by extensive testing for reliable performance you've come to expect from A-dec.

Chairside Solutions: Increase case acceptance.

A-dec chairside monitor mount solutions bring the screen closer to the patient. So it's easier to clearly discuss oral health deficiencies, explain treatment procedures, and gain case acceptance.

- **Close-to-the-patient positioning.** Mounts the monitor chairside for instant patient consultation and education.
- **Tilt and swivel mechanism.** Offers multiple viewing angles for comfortable patient viewing from both the seated and supine positions.
- **Easy-grip handle.** Allows you to easily maneuver and tilt the monitor with one hand.

WHAT POSITION WORKS BEST?

Depending on the desired range of viewing selection one of the following:

- 1 Wall mount (yellow arc)
- 2 Ceiling mount (blue arcs)
- 3 Central console mount (green arc)

Overhead Solutions: Expand your view.

Whichever A-dec overhead monitor mount solution you choose, your monitor will be within reach. Swing the monitor into position for viewing when you need it, and out of the way during a procedure.

- **Exceptional range of motion.** Get a full spectrum of viewing angles for you, your team, and your patients.
- **Versatile flexarm design.** Includes easy adjustments and smart cable routing to simplify installation and monitor upgrades.
- **Tilt and swivel mechanism.** Offers comfortable viewing from multiple angles including the seated and supine positions.

VARIETY OF MOUNTING CHOICES

Wall/Side Cabinet Mount

Overhead Ceiling Mount

Central Cabinet Mount

Treatment Console Solutions: Get a better view.

A-dec gliding monitor mounts easily position the screen for you and your assistant. Yet, at the 12 o'clock position, the monitor is out of the patient's direct view.

- **Easy to position.** Allows you to easily slide your monitor to either side of the cabinet.
- **Easy-grip handle.** Makes it simple to maneuver and tilt the monitor with one hand.
- **Gliding motion.** Provides smooth one-handed movement.
- **Clear view.** Smooth, gliding movement lets you position monitor right where you need it.

A-dec Inspire® Gliding Monitor Mount

Complete picture, dependable options.

All A-dec monitor mounting options complement our full line of solutions. You can depend on A-dec quality and performance no matter which option you choose. All options will provide you and your team with ergonomically correct operation, streamlined workflow, and richer patient-staff interactions.
